Writing Community

LegendFire is a free, author-driven, online creative writing community. Our purpose is to provide a place where authors and poets of a broad range of genres can go to exchange feedback, make friends, and have fun!

Why join LegendFire?

- ④ Meet other writers
- ④ Exchange feedback
- ④ Compete in contests
- ④ Challenge your imagination

LegendFire is a close-knit community, a family of sorts without being cliquish, where writers may express themselves and grow.

To help keep your creativity burning, LegendFire hosts writing contests, issues challenges, and encourages feedback exchange. We're here for each other with words of encouragement and stories of personal victories.

We hope to see you there!
